

# Tradition and Transition: Rural Health Responding to Change

17<sup>th</sup> Annual Colorado Rural Health Conference

June 18-20, 2008 • Copper Mountain Resort

## Sponsorship Invitation

Sponsor CRHC's 17th Annual Colorado Rural Health Conference and show your support for rural health in Colorado! This year we are excited to host a 3-day conference that will provide participants with state-wide networking opportunities and a variety of session topics such as healthcare reform, recruitment and retention, rural community development, and more. The 17<sup>th</sup> Annual Colorado Rural Health Conference will provide participants from a variety of healthcare sectors with information, resources, and networking opportunities. Sponsors give us the opportunity to provide excellent programming at low cost to the participants. Your sponsorship will allow attendees the ability to empower, educate, engage, and energize themselves and their organizations for a nominal fee. We offer many benefits to sponsors, including increased exposure; an opportunity to meet rural providers, administrators, staff, and legislators; a slide presentation featuring our sponsors that will be shown throughout the conference; and the option of including information on your organization in the conference notebook. Sponsorships of \$2,000 or more will receive a complimentary registration and exhibit booth.
