

CFMC's Quality Summit

...A Forum for Hospital Collaboration

Wednesday, April 23, 2008

The Inverness Hotel and Conference Center
200 Inverness Drive West, Englewood, CO

Goal/Purpose:

To enhance the ability of the Quality Improvement staff and other hospital professionals to assess and implement improvement of 22 quality indicators outlined by the Centers for Medicare & Medicaid Services for the purpose of improving the quality of care given to Medicare beneficiaries.

Objectives -- attendees will be able to:

- Describe new process and communication avenues that support implementation of hospital requirements.
- Interpret an idea shared that can be successfully applied at your hospital.
- Identify a clinical measure change that will affect your work at the hospital in the next six months.
- Apply process change and lessons learned to the IPG (SIOC, ROSC, ACM, and SCIP) projects measures.

To receive CE credit, attendees must attend the session, sign in, and submit an evaluation form.
