11:30 A.M.- 12:00 P.M.		<p><b>Break, Lunch</b></p>
12:00 P.M.- 4:00 P.M.		<p><b>CEO/CFO Track: CAH Cost Report and Financial Analysis, Tommy Barnhart</b>  <b>Speaker:</b> Tommy Barnhart, Senior Advisor, Colorado Rural Health Center  <b>Description:</b> The session will highlight a number of financially-oriented topics including: changes in the cost reporting forms impacting CAHs; updates on Medicare incentives for EHR related to CAHs; common cost reporting opportunities – are you leaving money on the table; provider-based clinics: rural health clinics and others. In addition, we will present new and updated information on the financial health of CAHs in Colorado and a new look at a scoring methodology that combines quality, market and financial measures to rank CAHs in Colorado and the nation. You will want to see this new methodology and give us feedback on its relevance to Colorado.</p> <p><b>Quality Director Track: Process Mapping for Quality Improvement</b>  <b>Speaker:</b> Beth Katzenberg, Director Corporate Quality &amp; Compliance, Colorado Foundation for Medical Care  <b>Description:</b> Do you design or improve processes? Process mapping is a useful tool to develop, understand, improve, monitor, and train people on a process. Join us for this workshop to learn about process maps and to practice using this valuable tool.</p>
4:00 P.M.- 4:30 P.M.		<p><b>Break</b></p>
4:30 P.M. – 5:30 P.M.		<p><b>Data Center Co-Op Overview</b>  <b>Speaker:</b> David Ginsberg, THE Consortium Senior Advisor, Colorado Rural Health Center  Cari Fouts, Director of Communication &amp; Development, Colorado Rural Health Center  Todd Oberheu, CEO, Spanish Peaks Regional Medical Center  Bill Bolt, CIO, Spanish Peaks Regional Medical Center  <b>Description:</b> Spanish Peaks Regional Medical Center, in partnership with CRHC and several other hospitals, were the recipient of a Rural Health Information Technology Network Development (RHITND) Grant from HRSA. During the 3-year, \$900,000 grant cycle, CRHC will be working closely with facilities across our state to develop a cooperative data center organization that will be an HIT data repository and back up network as well as an IT support organization that will ultimately save each facility thousands of dollars to support their current and ongoing EHR systems. Join us to hear more about the structure and services currently being developed, how you can participate, and the timeline for development.</p>
