

Improving the Odds: Making Frontier Health Project Proposals More Competitive

Training Session – April 19, 2010
Denver, Colorado

The **National Center for Frontier Communities (NCFC)** is pleased to invite you to a special one-day training session designed to help frontier communities be more successful in their Federal funding proposal preparation. The training will emphasize health project funding available from the Federal Office of Rural Health Policy. This will be a one-day program held in conjunction with *The Forum 2010* conference of the Colorado Rural Health Center.

Join experienced community health planners/grant writers in a fun, hands-on, and interactive training.
