

**COLORADO RURAL HEALTH CENTER ANNUAL CAH WORKSHOP
November 4, 2011****“The CAH’s Role in Building Healthy Communities”****EXERCISE #1:**

1. What are your hospital’s “inputs”?

2. What are your hospital’s “outputs”?

EXERCISE #2:

1. Identify a significant decision(s) your board made re: priorities / changes to programs, services, facilities, etc.

2. In retrospect, what kind of input might have helped ...

- ... the Board make a better decision, or
- ... the Board have more confidence in the decision, or
- ... the decision be more well-received in the community?

EXERCISE #3:

I. Identify three key learnings / ideas you've gleaned from this workshop:

i. _____

ii. _____

iii. _____

2. Looking back, on a 1-10 scale (10 being highest), rate your Board's "connection" activities in the recent past:

1 2 3 4 5 6 7 8 9 10

3. What two things would you like to see your Board do that would elevate that number?

i. _____

ii. _____
